

# Turnbull School celebrates excellence at Canada Wide Science Fair!

Our Turnbull School community wishes to congratulate Sathya Baskaran on his achievement of a Gold Medal at the Canada Wide Science Fair.

*Sathya Baskaran*

Sathya won gold in the Biotechnology and Pharmaceutical Sciences – Junior Division for his experiment *Finding the Fit for Your Knee*.

The 2007 Canada Wide Science Fair, held in May in Truro, Nova Scotia, was the culmination of many school, municipal, and regional fairs. Turnbull School is very proud that Sathya and his teammate, Caroline Kovesi, were two of the four Regional Science Fair winners chosen to represent the Ottawa region in the Junior Division.
