#### Educational Assessment:

Scheduled individually  
\$250

If attending SkillBoosters, an optional educational assessment is recommended to ensure appropriate individual programming for your child and to provide you with a detailed look at his/her academic progress. The results of this assessment are used to design an individualized program for your child's summer learning. Parents receive a graph of their child's results, showing a comparison to where he/she should be for the current grade level, and a description of each subtest used. Turnbull Summer Learning will call you to book the assessment.

\* **SkillBoosters** fee for the 4-day weeks of July 3 to 6 and Aug 7 to 10 is \$145. The School is closed on Monday, July 2 and Monday, August 6.

\*\* **High School Prep** course also includes 4 Sunday classes, 11:30 AM to 1:00 PM, on September 16, 23 and 30 and October 14.

I will provide a copy of my child's most recent report card and assessment report (if applicable) by fax, mail or email to [info@turnbull.ca](mailto:info@turnbull.ca) as soon as possible.

I understand that this is very important for the teacher's planning of my child's academic program.
