

# TURNBULL SCHOOL

## 2012/2013 Junior Kindergarten Admissions

Junior Kindergarten children at Turnbull enjoy their spacious, state-of-the-art classroom and a full day program. The JK space offers a number of learning and activity centres in a bright and engaging environment. The reading loft is a highlight for the children as are the wealth of interactive learning resources. Student washrooms and personal cubby space are included in the room, giving children a self-contained, protected environment. Outdoors the five-acre fenced property includes two play structures, one especially designed for our youngest students.

The JK program is taught by dedicated and nurturing teachers. It is a well rounded and enriching program including daily physical education and French, as well as creative arts, science, numeracy and literacy skills. Excellence and caring begin with the children's first experiences at Turnbull School and give them a solid foundation for the years to come.

### JK Applications for 2012/2013 now being accepted:

1. Submit a completed Turnbull School application form, the deposit and a completed copy of our confidential letter of reference form to the Main Office by mail or in person.
2. Call the Main Office at 613-729-9940 to schedule an intake morning visit for your child.
3. Places are offered after review of the applications and visits.

N.B. Childcare receipts are issued for tuition paid to Turnbull School. Please consult the Income Tax Act to determine your eligibility and the amount of any allowable deduction.
