**Educational Assessment:**   
Scheduled individually  
\$225 payable on the day of the assessment

If attending SkillBoosters, an optional educational assessment is recommended to ensure appropriate individual programming for your child and to provide you with a detailed look at his/her academic progress. The results of this assessment are used to design an individualized program for your child's summer learning. Parents receive a graph of their child's results, showing a comparison to where he/she should be for the current grade level, and a description of each subtest used. Turnbull Learning Centre will call you to book the assessment.

\* **SkillBoosters** fee for the 4-day week of Aug 3 is \$145. The Centre is closed on Monday, August 2.

\*\* **High School Prep** course also includes 4 Sunday classes, 11:30 AM to 1:00 PM, on September 26, October 3, 17 and 24.

I acknowledge that I will provide as soon as possible a copy of my child's most recent report card and assessment report (if applicable) by fax, mail or email to admin@turnbull.ca. This is important for the teacher's planning of my child's academic program.
